### Role Purpose

As a Home Modification Technician or Builder with Amaze ConnectCare, you will support NDIS participants by making practical adjustments to their home environments to enhance safety, accessibility, and independence. You will work closely with occupational therapists and our team to scope, quote, and complete modification works.

### Key Responsibilities

- Assess and complete minor to moderate home modifications, including ramps, rails, and bathroom adjustments
- Collaborate with occupational therapists and participants to ensure modifications meet NDIS goals
- Provide accurate quotes, timelines, and material requirements
- Comply with building regulations, standards, and work health and safety practices
- Maintain clean and safe work environments in participant homes
- Document work completed and submit before-and-after records where required
- Use respectful communication with participants, families, and team members

### Essential Requirements

- Trade qualification or proven experience in carpentry, renovations, or building works
- Australian Citizenship, Permanent Residency, or valid Working Visa
- Current NDIS Worker Screening Check
- Current Working With Children Check (WWCC) - valid in Victoria
- Valid Australian driver's licence
- Own tools and vehicle (with necessary insurances)
- Strong attention to detail and commitment to safe work practices

### Desirable

- Experience working with people with disability or in the community services sector
- Understanding of NDIS home modification guidelines
- Basic ability to interpret Occupational Therapist (OT) reports and drawings

### Award Coverage

This role is covered under the Building and Construction General On-site Award 2020. Remuneration will be based on experience, agreed rates, and scope of work.

### How to Apply

To apply for this position, please email the following documents to [info@amazecc.com.au](mailto:info@amazecc.com.au):

- Your current resume (CV)
- A short cover letter outlining your experience with home modifications and availability
- Copies of trade qualifications, clearances, and relevant insurances
